**FROM THE BRIDGE March 10, 2018**

Ahoy Mates,

Wow!! What a great Change of Watch Event. We had over 100 attendees. A big shout out to our Social Director Kate Thompson and all the volunteers that helped to set up the event. A good time was had by all, as we thanked Commodore Devra Hodge, the 2017 Bridge, Flag Officers, and Board Members for their service to the Club. Staff Commodore Iris Segal, presided over the event and swore in the 2018 Bridge, Flag Officers, and the Board of Directors. Iris did a fantastic job. We had great music, dancing, and delicious food by Ventura BBQ. Be sure to check out all the pictures of the event taken by our own Ricky Woodrow on our new and updated Web Site. The Site is maintained by Ricky Woodrow and David Morris.

Next up is our biggest event of the year, Opening Day. Opening Day is Saturday, March 24, 2018. Registration at 1:15 pm and the program starts at 1:45 pm. Dress is yacht club formal with blue blazer, white top, and white pants. This event will be on the point with reception and party afterwards in our club house. Hope to see you all there.
