From: The Bridge, May 3, 2018

HIYC's first Blessing of the Fleet and after party BBQ at the club house was a great success. We had 12 boats that participated. Our Chaplain and Vice Commodore Greg Shank prepared a blessing and script for each vessel, Janine Nesbit took photos, Gina Harris helped with the scripts, and Deb Gallinot handed out the champagne. A shout out to Kate Thompson and all our volunteers for coordinating the event, and our own master chefs Mike Dana and Richard Elzinga, who did grill duty. Check out all the pictures on our website at www.harbourislandyachtclub.org and to view a list of upcoming events.

Next year is our club's 25th Anniversary. Your Bridge and Board want to design an Anniversary Pin. We want all of our members to participate and design a pin. The winner will get a \$100.00 gift certificate to Larsen's. Submit your design to Board Member Cali Baxter who is the Pin Committee Chair. She and 2 other club members will be the judges. I know we have a lot of artistic club members, so here is your chance to display your talents.

Gary Gallinot, Commodore
