Begin thinking about your favorite character and festive attire!

Lastly, if you are a member and have not received your HIYC membership / reciprocal cards, name-badge(s), and the card for Southern California Yachting Association – please respond to this email. We will contact Eileen Howe for you and plan how to get the very important benefits to you ASAP. Anytime you are at the Waterside HIYC Clubhouse, we encourage you to wear your HIYC name-badge. Our club is growing, and we certainly want to be sure the membership cards and name-badges are received by all. If you have a name-badge, but need an update (maybe you missed placed yours), please let us know. It is a priority for us to serve you as best that we can. We appreciate your membership. Even though we are halfway through our 2022 yachting year, we are welcoming new members. One reason our club is so enjoyable - it is the people, our members, that make it entertaining. If you know someone who might be interested in joining HIYC, please share our contact information or visit our website at <http://www.harbourislandyachtclub.org>

HAPPY SUMMER!
